Stallions Standing At Stud:

Future Farms can offer the service of standing your Stallion at public or private stud – whatever your requirements may be. Please contact Future Farms directly to discuss your individual needs.

Advertising/Marketing:

Future Farms can organise advertising/marketing of your horses. We regularly are advertising in Magazines, newsletters and on the internet and are happy to discuss your requirements.

Show Entries:

We will assist you in the classes that we recommend for your horse to compete in and what level of show your horse is ready for. Future Farms can enter your horse for you, however will require a signed authority from the owner stating that you authorise Future Farms to enter your horse at any show they see fit.

Show entry/stabling/bedding etc costs are the responsibility of the owner.

Owners will also have a shared charge for overnight shows for a tack/prep box.

Other

- Priority payments must be made prior to shows if you want a particular Future Farms representative/employee to show your horse in its class and as a priority for Champion classes.
- Unless a priority payment has been made, Future Farms will give NO GUARANTEE as to which one of their representatives/employees will show any said horse in any class or championships.
- Invoices are seven day accounts for the month in advance. Accounts are to be paid BY THE DUE DATE or a late fee of \$25- per day is applicable
- Veterinarian fees/farrier costs etc are the responsibility of the owner (*Indicative current prices: Farrier: All round \$88-, trim \$44-, front shoes trim backs \$66-, worming- \$10 1/2 tube / \$20- full tube*)
- Horses are recommended to be insured prior to coming to the property
- All horses, owners, owners guests and equipment/belongings etc are on the premises of Future Farms Training and Breeding Facility at their own risk
- A 10% commission is payable to Future Farms on any horses sold through the farm acting as an agent
